

DEAR UNITED WAY

DONOR

Every year, up to 10% of United Way donors leave their employment for a variety of reasons. *How does this affect our community?*

This means that many donors do not fulfill their pledges and that those dollars will not be available for critical services and programs in our community.

You can help us to reduce this loss by completing this form and faxing it to the United Way at 403.317.7940.
